

Cookie Sales Pitch

Hey there!

I'm _____, the proud Girl Scout Cookie Boss from Troop _____.
Girl Scouts have been participating in the Cookie Program for over a century, and this year's cookie lineup is our best yet! You can't go wrong with our classic Thin Mints® or Trefoils®, or ooey-goey Caramel deLites®, but we're most excited to offer Lemonades® and Toast-Yay!®, the real game-changers! And don't worry, we've got something for everyone with our vegan and gluten-free options. My personal fave? Well, it's hard to pick, but I'd have to go with _____.

Here's the scoop: every box you purchase brings us closer to our goal of packages. If you're already stocked up, why not donate a box through our Cookie Share Program where we provide cookies to our donation partners from local foodbanks and military organizations.

With every bite, you're helping Girl Scouts achieve great things and learn essential life skills. Plus, 100% of the proceeds stays local, so you're making a difference right here in your community. So, what are we doing with all these cookie profits? My troop has decided to _____.

Thank you for supporting us and helping us chase our dreams, one cookie at a time!
